NET225 Routing & Switching I
CCENT – Cisco Certified Entry Networking Technician

NET226 Routing & Switching II
CCNA – Cisco Certified Network Associate

itcap™

What is CCENT/CCNA, and why should I take this class?
Great questions! The CCENT designation validates the ability to install, operate and troubleshoot a small enterprise branch network, including basic network security. You should take this class if you want the skills needed for an entry-level network support positions. CCENT certification is the first step toward achieving CCNA, which covers medium-size enterprise branch networks with more complex connections.

What will I learn?
CCENT -
➢ Networking fundamentals, LAN switching technologies, routing technologies, infrastructure services, and infrastructure maintenance.
CCNA – Routing and Switching
➢   LAN switching technologies, IPv4 and IPv6 routing technologies, WAN technologies, infrastructure services, and infrastructure maintenance.

What are the prerequisites?
CompTIA A+ certification is all you need to take this class. Depending on your experience, this prerequisite can be waived with instructor approval.

Can I take this class online?
Yes, you can. The class is designed to be offered online and is available 24/7. The best feature is the instructor assigned to you – on day 1 – for the duration of your class. They are 100% confident that if you follow their direction, you will become CCNA-certified. Instructors are available via text, phone, or email.

How long will it take to finish?
Many students complete the class sooner, but we give you six months so you can work at a pace that fits into your current commitments.

Who should take this class?
Anyone who believes computer networking is here to stay should take this class, and that pretty much means everyone.

Will my tuition assistance program benefits cover the cost?
Yes, if you have enough funds in your tuition assistance account, there are no out-of-pocket expenses. Wow! You can get an internationally-recognized certification with no out-of-pocket costs.

How much does it cost?
The tuition is $2800, and your tuition assistance program covers the cost of the class, the materials, and two certification exam vouchers (one for the CCENT exam and one for the CCNA exam).

When does the class start?
This class starts most Mondays. Register early to get the start date that works for you.

How do I register?
1. Visit www.itcap.com/VZW-ITcerts/Register to register online**,** or
2. For more information, email us at info@itcap.com, or
3. You can call our helpful staff ☺ at **877-877-0122**.
