

**What is Linux+, and why should I take this course?**

We're really glad you asked! Linux+ (2015 objectives) is a vendor-neutral certification that offers a framework for acquiring working knowledge of Linux for IT professionals working as junior-level system administrators, as well as those working in Web and software development. You should take this course if you want essential skills for working in a variety of job roles in Web, systems and network administration.

What will I learn?

- ◆ System architecture
- ◆ Linux installation and package management
- ◆ GNU and Unix commands
- ◆ Devices and Linux filesystems
- ◆ Filesystem hierarchy standard
- ◆ Shells, scripting and data management
- ◆ User interfaces and desktops
- ◆ Administrative tasks
- ◆ Essential system services
- ◆ Networking fundamentals and security

What are the course prerequisites?

CompTIA A+ and Microsoft Networking Fundamentals or Network+ certification is all you need to take this course. Depending on your experience, these prerequisites can be waived with instructor approval.

Can I take this class online?

Yes, you can. The class is designed to be offered online and is available 24/7. The best feature is the instructor assigned to you – on day 1 – for the duration of your class. They are 100% confident that if you follow their direction, you will become certified. Instructors are available via text, phone, or email.

How long will it take to finish?

Many students complete the class sooner, but we give you five months so you can work at a pace that fits into your current commitments.

Who should take this class?

Anyone who believes operating systems are here to stay should take this class, and that pretty much means everyone.

Will my tuition assistance program benefits cover the cost?

Yes, if you have enough funds in your tuition assistance account, there are no out-of-pocket expenses. Wow! You can get an internationally-recognized certification with no out-of-pocket costs.

How much does it cost?

The tuition is \$1,400, and your tuition assistance program covers the cost of this class, the materials, and two certification exam vouchers - one for each of the two exams (LX0-103 and LX0-104).

When does the class start?

This class starts most Mondays. Register early to get the start date that works for you.
