

What is Network+, and why should I take this class?

So glad you asked! Network+ is an internationally-recognized credential validating the knowledge required of foundation-level IT network practitioners. You should take this class for vital skills needed (shown below) to perform at a level that proves your expertise.

What will I learn?

In addition to gaining a basic understanding of emerging technologies, including unified communications, mobile, cloud and virtualization technologies, you'll learn the skills required to:

- troubleshoot, configure, and manage common network wireless and wired devices.
- establish basic network design and connectivity.
- understand and maintain network documentation.
- identify network limitations and weaknesses.
- implement network security, standards, and protocols.

What are the prerequisites?

If you already possess at least 9 months of professional IT networking experience and CompTIA A+ certification, you're ready to go! If you don't, you may want to consider the Networking Concepts class. If you're not sure, we'll have you speak with one of our knowledgeable instructors to help determine where you should start.

Can I take this class online?

Yes, you can. The class is designed to be offered online and is available 24/7. The best feature is the instructor assigned to you – on day 1 – for the duration of your class. They are 100% confident that if you follow their direction, you will become Network+ certified. Instructors are available via text, phone, or email.

How long will it take to finish?

Many students complete the class sooner, but we give you three months so you can work at a pace that fits into your current commitments.

Who should take this class?

Anyone who believes computer networking is here to stay should take this class, and that pretty much means everyone.

Will my tuition assistance program benefits cover the cost?

Yes, if you have enough funds in your tuition assistance account, there are no out-of-pocket expenses. Wow! You can get an internationally-recognized certification with no out-of-pocket costs.

How much does it cost?

The tuition is \$1,400, and your tuition assistance program covers the cost of the class, the materials, and one certification exam voucher.

When does the class start?

This class starts most Mondays. Register early to get the start date that works for you.
