

# CompTIA Security+ Certification

---

## **What is Security+, and why should I take this class?**

Great questions! Security+ (2014 Objectives) is an internationally-recognized certification and proves competency in securing a network and managing risk, as well as cryptography, mitigation and deterrent techniques. You should take this class to demonstrate your knowledge in one of the fastest-growing fields in IT.

## **What will I learn?**

- ◆ Skills needed to identify risk
- ◆ Participate in risk mitigation activities
- ◆ Provide infrastructure, application and operational security
- ◆ Cloud computing, BYOD, and SCADA
- ◆ Maintain confidentiality, integrity, and availability
- ◆ Operate with an awareness of applicable policies, laws, and regulations

## **What are the course prerequisites?**

CompTIA A+ and Microsoft Networking Fundamentals or Network+ certification is all you need to take this course. Depending on your experience, these prerequisites can be waived with instructor approval.

## **Can I take this class online?**

Yes, you can. The class is designed to be offered online and is available 24/7. The best feature is the instructor assigned to you – on day 1 – for the duration of your class. They are 100% confident that if you follow their direction, you will become certified. Instructors are available via text, phone, or email.

## **How long will it take to finish?**

Many students complete the class sooner, but we give you three months so you can work at a pace that fits into your current commitments.

## **Who should take this class?**

Anyone who believes computer security is here to stay should take this class, and that pretty much means everyone.

## **Will my tuition assistance program benefits cover the cost?**

Yes, if you have enough funds in your tuition assistance account, there are no out-of-pocket expenses. Wow! You can get an internationally-recognized certification with no out-of-pocket costs.

## **How much does it cost?**

The tuition is \$1,400, and your tuition assistance program covers the cost of the class, the materials, and one certification exam voucher.

## **When does the class start?**

This class starts most Mondays. Register early to get the start date that works for you.
